Look at the title and headings in the article. Which of the suggestions for a first date can you do where you live?

**Ideas for a first date**

Maggie Carr suggests some great (and cheap!) ideas for a first date. Planning a first date? Congratulations! Here are some tips on things to do that are both fun and inexpensive.

- 1 See a movie** I know, a movie is an obvious choice. But there are plenty of ways you can impress your date. First of all, let your date choose the movie. And try to find a movie theater that has style, such as comfortable seats or an interesting décor. And make sure you meet early — that way you'll have time to get tickets to the movie you want!
- 2 Go ice skating—or roller blading** If you enjoy more active dates, why not suggest ice skating or roller blading? If your date likes the idea — go for it! It means that you both enjoy the same kinds of things. And don't worry if you can't skate — sometimes it's fun to fall down!
- 3 Fly a kite** Who says no one flies kites anymore? This is still a great way to have fun at the park! If you're good at it, that's even better! And if you aren't — don't worry! Your lack of skill will make your date laugh!
- 4 Go to the zoo** Everyone likes animals, right? So a trip to the zoo makes an ideal first date. You can impress your companion with your knowledge of animal life — but first, make sure that you know what you're talking about!
- 5 Have a picnic by a lake or river** Picnics are fun — and if you're a good cook, why not make the food yourself? If not, buying the right picnic items is also a useful skill. But remember, choosing the perfect picnic spot is critical. Pick a place where there's a nice view and an opportunity for romance!

Read the article. Where do you think it is from? Circle the correct answer.

a. a textbook      b. a magazine      c. a newspaper

陌生單字:

fall down 失敗      critical 關鍵      obvious 明顯      Plenty 豐富      lack 缺少

impress 印象極深      skate 冰鞋      décor 室內裝潢

**1** Have you ever been in a blackout? What did you do?

# Where were you when the lights went out?

In August 2003, a blackout affected 60 million people in the US and Canada, including major cities like New York, Detroit, and Toronto. It happened on one of the hottest days of the year. These are stories from people who were there:

I remember I was riding the subway, reading a magazine, when, suddenly, the lights went out. It was really strange. Everyone just sat there in silence. Then there was an announcement: "We seem to have lost power, but don't worry, folks. It'll be back on in a couple of minutes." A couple of minutes! That's funny! Over an hour later, we were still sitting in the train. And it was the hottest day in New York! When they finally opened the door at the end of the car, we jumped down, walked along the tracks, and climbed up on the platform at the next station.

**Gary, TV producer**

I was driving home from work when I stopped at a light. Suddenly, the power went out. So, of course, the streetlights went out, too. Traffic froze because no one knew what to do. I was listening to a music station on the radio when the announcer said: "We're getting reports of a major power outage in the Toronto area." I saw it, but I didn't believe it was happening!

**Brooke, office manager**

I was at home watching TV when the screen went dead. I didn't have any lights on, so I didn't realize it was the power. I thought it was probably a problem with the TV. So I was tapping and banging on it when the telephone rang. It was my daughter calling to make sure I was OK. She told me there was a blackout in New York. I remember thinking, "So what? I live in Detroit!"

**Todd, retired auto worker**

Komodo Island 野生蜥蜴(Komodo dragon)介紹、攻擊性與生長環境。

# Jurassic Park?

1 Danny Mellor visits an island where most of the occupants are meat-eating monsters — and he learns that you should take them seriously, very seriously...

2 When I heard that there was an island where the local inhabitants are almost all dragons, I didn't believe it. But it's true. Komodo dragons live on four islands in Indonesia, including the island of Komodo. It isn't easy to get there. You have to go to an island called Sumbawa and then take a seven-hour boat ride.

3 The Komodo dragon is the world's largest lizard. They're big (they can be more than 12 feet long) and they're ugly! Komodo dragons are carnivorous, eating insects, birds, deer, horses, and even young Komodo dragons. The young can sometimes escape by climbing trees, because the heavier adults can't climb very well. Komodo dragons are good swimmers, however, and often hunt in the surf for fish and birds.

4 Komodo dragons are such deadly predators that even one bite can be lethal! The bacteria in the dragon's saliva is so dangerous that wounds don't usually heal. If a victim gets away, it often dies from infection within days. Their reputation as human killers is well deserved, too. They are responsible for attacking and killing both locals and tourists.

But there are fewer than 6,000 Komodo dragons, so you won't find them easily. They don't like coming out when they hear people. In fact, you can't even look for them without an experienced guide. If a dragon runs towards you, the guide quickly puts a stick across its neck! For some reason, with a stick holding its head on the ground, a Komodo dragon lies very quiet and still. But without it, look out! You might be lunch!

## 國際明星 Cameron Diaz

## Superstar Cameron Diaz

**1** You probably recognize Cameron Diaz, a tall, attractive blue-eyed blonde, but how much do you know about her? Cameron Michelle Diaz was born on August 30, 1972 in San Diego, California. Her father was Cuban-American, and her mother's family came from England and Germany. As a kid, she says she used to be "adventurous, independent, and tough." She and her sister, Chimene, used to fight all the time.

**2** Diaz attended Long Beach Polytechnic High School, where she had a reputation for always being late. She used to be a member of the Polyettes, the high school's dance team that performed at football games. She loved going to parties in Hollywood. One night, a photographer discovered her at one of these events. Within a week, he helped her get a contract with the Elite Modeling Agency.

**3** Diaz left home at 16 and for the next few years, her modeling career took her around the world. During this time, she worked in Japan, Australia, Mexico, Morocco, and France. She did commercials for products such as Coca-Cola, Nivea, and L.A. Gear.

**4** Diaz returned to California at the age of 21. With no acting experience, she auditioned for a part in the Jim Carrey movie *The Mask*. To her surprise, she won the lead female role. Then she signed up for acting lessons.

In 1997, she was the "perfect" fiancée in the romantic comedy *My Best Friend's Wedding* with Julia Roberts. She became a superstar in 1998 with the hit comedy *There's Something About Mary*.

**5** On her birthday in 2003, Diaz broke her nose in a surfing accident in Hawaii, but she is still on the list of the "50 most beautiful people in the world." It's hard to believe she used to think she looked plain when she was younger! Cameron Diaz seems to have it all—and is certain to continue to be a superstar.

### 三. 達到學習目標

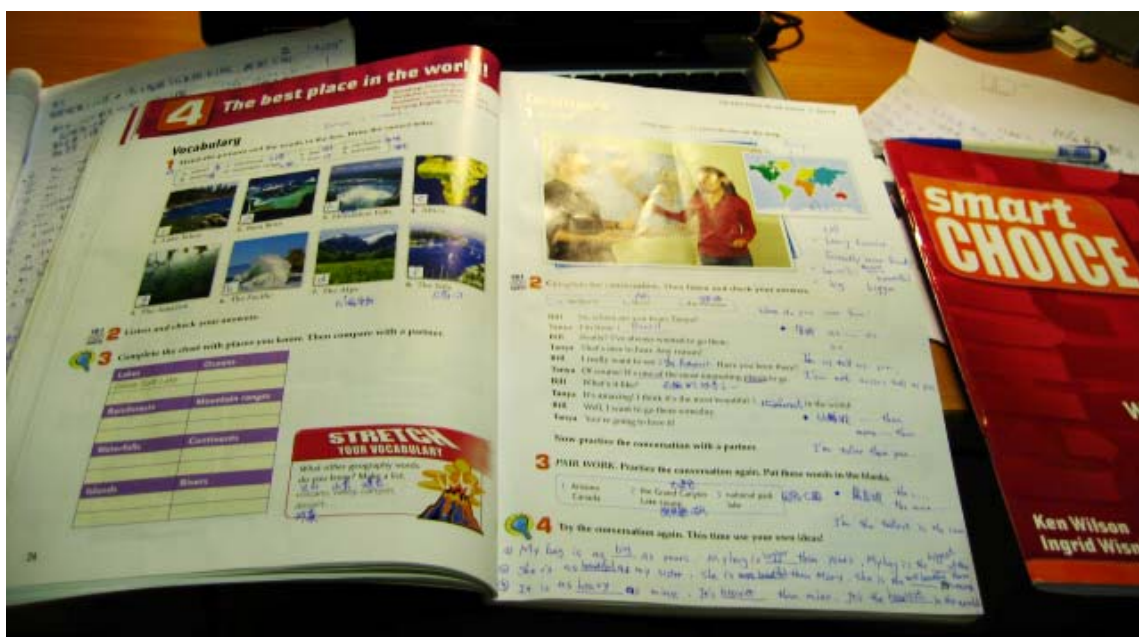

上課的過程中，老師的講解與分析與提醒，建議我們如何把英語融入生活和一些技巧，讓自己對於英文更有興趣，老師以輕鬆的上課方式帶我們進入英文情景，時常與我們互動良好和用英語溝通對話，不時會叫我們上台表現自己與練習實做題目，至於比較可惜的就是比較沒有團體之間的互動，在上課時當然也學習到一些文法，雖然有時不太懂，但是慢慢研究，可以發現都是有一定規律的，但是課堂上的英語氣氛很濃厚，在課堂上我了解到一些英文常用句合一些英文單字，再日常生活中可以多加以運用的單字，而老師偶而的課外話則是提供一些良好的學習環境，與聊一些國外的生活常態，季節文化，西方與東方的文化交流特色，整體裝況良好，上課時輕鬆愉快。

### 四. 運用學習資源

下課之後如果有些不懂或想深入了解的可以問老師，老師都會詳細解說，除了問老師之外，也能到圖書館查詢資料，或是多去圖書館看一些西洋電影，增加英文用語對話的知識，自己比較喜歡看電影，也希望能在電影的對話裡多體會對話中的情境，了解適當用語的應用，既然不能在我國與他人練習英文對話，就多看看外國人是如何對話的，在網路資源的運用上我比較沒有多大的常用性，本身是設計科系，有時需要尋找一些設計師資料，但是設計師資料大部分都是國外設計師，所以幾乎都是英文網頁，很常會有很多特別的英文文法，這時就需要問英文老師，面對面的交談可以增加學習成效，學習過程也比較清楚，偶而會去看一些英文網站，聽一些英文歌曲之類的，也能增加一些英文的知識，也可以找一些自己有興趣的英文文章，來看翻譯和看一些不懂或是不知道的單字，慢慢來增加自己對英文的興趣，有空時訓練自己用英文寫日記....等等。

## 五. 學習融入生活中

在家中會分配安排出時間在英文作業上，適當的英文作業我覺得是相當好的，偶而也會聽一些英文歌曲，看一些電影對話，有時看到不懂的單字也會上網翻譯，尋找自己不懂的答案，有時會上去學校官方網站去做英文初級線上測驗，也會練習課文單字，研究課文內容預習，有時也會想一些句子，用自己所會的單字把它拼出來，有時看到路上有一些不懂的單字也會把它記下來，回家的時候尋找答案，來增加自己對於英文上的不足，希望我的努力會有收穫和成果，我也覺得之後我要多做些筆記，多聽老師上課的內容是必要的。

## 六. 心得

做英文學習檔案，發現學習檔案有很多好處，學習檔案可以幫助我們加深印象，還有對於平時的上課筆記紀錄，也可以訓練自己上課聽課的認真度，完整的整理，檢視自我的學習態度與功課進度，可以幫助我們複習的上課資料，也是記錄自己學習日誌的方法，有了學習檔案也可以知道自己那裡有不懂的地方，繼續追尋答案，來增加自己對於英文上的不足，希望我的努力會有收穫和成果，也覺得之後我要多做些筆記，多聽老師上課的內容是必要的，學習檔案是可以對於自己學習瞭若指掌的檔案，時時監督自己的學習態度。

## 七. 結語：

學習檔案將焦點集中在學生所學、學生學得如何、以及學生如何展現所學。學習建立與使用學習檔案的過程。學習檔案本身很有價值，評量方面的價值（能夠評量大範圍的成果與記錄長時間的成長）。透過選擇及反省的步驟，更加專心致力於學習，並且自認要對學習負相當的責任。

**對於課程之建議：**老師課程可以再有趣一點，這樣大家會比較容易吸收一些，可以再說慢一些，說一些比較親身體驗的事，大家會比較有體會的感覺。

**課程回饋與分享：**雖然老師上課爲了趕進度，上課上的很快，但是很有效率本來會大腦想要偷懶，但是後來際會有了，反而更有積極努力的感覺。
